## FINANCIAL AND CANCELLATION POLICY

-Appointment time is reserved especially for you. As a result, a charge per hour will be assessed for broken appointments without at least a 48-hour notice of cancellation. I understand I am responsible for any charges associated with broken appointments.

-I understand that treatment recommendations are made based upon the doctor's professional judgement of what is best for my oral health and not based on whether or not I am covered by a dental benefits plan.

-I understand that my insurance claims will be filed by this office, but I am ultimately responsible for the balance on my account for any professional services rendered.

-I understand that payment is due at the time of service.
